Know Before You Go!

NDSS is aware our 2022 Adult Summit: On the Road is being held during a pandemic, and there are many people who are not able to join us in person due to Covid-19 and/or health restrictions. For those of you who are not able to join us in person, we have created a hybrid website that will stream live sessions from the conference with recordings available for later viewing.

If you plan to join us in person, please see below the precautions we are taking to make this conference as safe as possible.

We believe each of us has an individual responsibility to take the precautions that are best for individual circumstances and our community. NDSS has implemented the following requirements throughout the conference:

- As we consider the health and safety of our loved ones with Down syndrome and their families, all attendees will be required to wear a mask when inside the Hyatt Regency Jacksonville Riverfront hotel meeting rooms and common areas. Face masks will be provided if you do not have one.
- All Hyatt Regency Jacksonville Riverfront Hotel employees are required to wear masks at all times as of 2/3/2022.
- Sanitizing stations will be located throughout the hotel and attendees are encouraged to wash their hands often.
- Meeting rooms will be arranged to provide physical distancing.
- Food and beverage service will be set up to facilitate physical distancing with multiple stations and minimal time waiting in line.
- Our exhibit hall will be separated from the main conference and will be arranged to provide space between booths and to allow attendees to interact with our exhibitors in a spacious area.

Here are some resources for additional information:

You can view some more information about the Hyatt Regency Jacksonville’s Global Care & Cleanliness Commitment here and how the hotel is taking additional precautionary measures.

If you would like updated information on COVID-19 in Jacksonville, FL, please visit their website here.
